FOR IMMEDIATE RELEASE

Verus Consulting Expands Resources – Adding a Highly Sought After Compliance and Regulatory Resource

Naples, Florida July 21th 2014 - Verus Consulting, a well known Consulting firm with a nationwide presence continues to keep their finger on the pulse of the Financial Services and Brokerage Industry by adding a valued resource in the Compliance and Regulatory Sector. To find out more...read on.

Verus welcomes Jane Young to the team. Jane will provide leadership and guidance for Verus's Compliance and Regulatory practice. Jane has successfully managed key regulatory initiatives for a leading financial industry service provider. She has significant experience working on highly visible regulatory projects such as OATS, TRACE, Books & Record Amendments, Patriot Act, INSITE, Mutual Fund Breakpoints, Reg SHO, Electronic Blue Sheet Remediation, Money Market Reforms (Floating NAV), Lost Security Holders and more.

Jane has many credentials including developing supervisory control systems and total overhaul of the Broker/Dealer's Written Supervisory Procedures. Conducting compliance examinations concentrating on registered representative's sales practice obligations related to suitability, due diligence and recordkeeping. Jane's additional responsibilities include the Broker/Dealer's official responses (written and verbal) to industry regulatory examinations and inquiries as well as customer complaints. She has also managed staff that was responsible for a firm's NASD licensing and registration program which included continuing education tracking and more.
